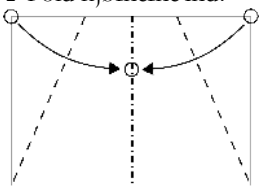
Origamisk genbrug: Simpel Canopy

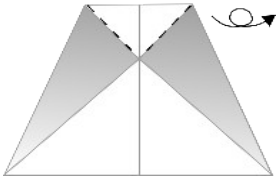
Canopy-scenen med de tre spidser op og den store åbning. Prøv selv videre for at få mere markerede spidser – især de nødvendige dobbeltkrumninger er svære. Bemærk at flere billeder er i 3D.

Foldningen

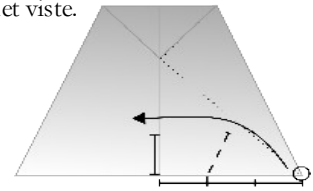
1 Fold hjørnerne ind.



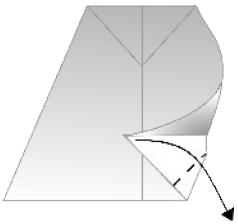
2 Marker, og vend



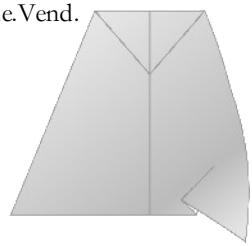
3 Fold hjørnet over, marker kun det viste.



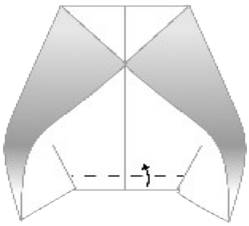
4 Tilbage langs kanten.



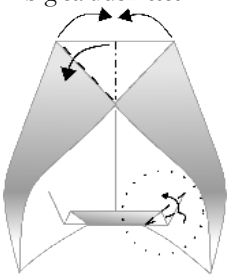
5 Sådan. Gentag anden side.Vend.



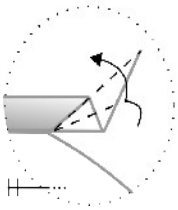
6 Fold midterkanten op.



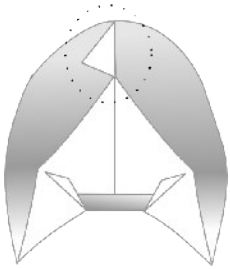
7 Saml hjørnerne. Følg så udsnittet.



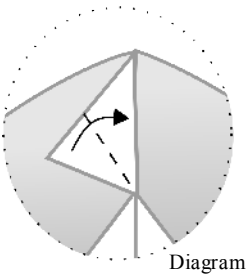
8 Udsnit: Fold over og over. Gentag anden side.



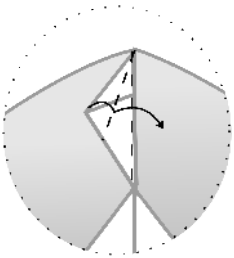
9 Sådan. Følg så udsnittet.



10 Udsnit. Fold til midten.



11 Fold til midten og over igen.



12 Færdig, set nedefra.
